Mr Wm. B. McKechnie  
25 N. Montgomery St.  
Trenton N.J.

Dear Mr McKechnie:

Please pardon my delay in answering your letter of May 26th, but I have been shopping around to contact some of the clubs about comming to Trenton.

As things stand now, I have decided to wait until we have our joint league meeting in Chicago next week, to try and arrange some games. We will make up our second half schedule then I am sure.

The teams are not ahxious to make a trip all the way to Trenton, from distance points. I will have to catch the teams on their way to or from Newark or New York. I am sure we will be able to arrange some worth while dates in Trenton, and I will get in touch with you as soon as I return.

It is too bad we had the mixup on our first game, but they say a bad beginning means a good ending. Let us hope so anyway.

Very Truly Yours
